

2023 GHG Reduction by Energy Efficiency, Carbon Capture and Offsets: the Practical Side to Achieving NetZero

September 13, 2023

Delta Hotels by Marriott, Waterloo, Ontario

Sponsorship and Exhibitor Opportunities:

A&WMA's 2023 GHG Reduction conference provides an excellent opportunity to tie your corporate image to one of the province's premier environmental professional events. This unique conference will draw industry, regulators, environmental legal professionals, and the technical community to one location to learn about **new and evolving decarbonization approaches**. We are expecting in the order of 100 attendees.
